September 19, 2017

Dear Cedars International Academy Community,

This is to inform you that at our last board meeting September 14, 2017, the school board reluctantly accepted the resignation of Dr. Mark Diaz, superintendent. His last working day will be July 10, 2018.

During the past 9 years we have seen amazing growth in facilities, finances, and academics thanks to the leadership of Dr. Diaz. He has worked tirelessly to provide an outstanding education for our students and we are grateful for his efforts.

He mentioned in his resignation letter that he “had the privilege of working with the best students and parents that Austin has” and how amazed he was with the caliber of the faculty and staff calling them “remarkable.” We agree. With that in mind, the board in the next few months will conduct a superintendent search. It is our goal that by May 2018 a new superintendent will be named.

Dr. Diaz has assured us he will assist in the transition and like Dr. Diaz we have no doubt the best days for Cedars International Academy are yet to come.

Sincerely,

Dr. Maria Medina Seidner
Board President
Cedars International Academy
